Suitable footwear and gaiters are essential as areas can be very muddy and waterlogged. You may wish to bring waterproofs bearing in mind the Lancashire weather. Please note that for health and safety reasons, leaders may refuse to accept participants who in their opinion are unfit or inadequately equipped.

For the longer walks and those starting before lunch it is suggested a picnic lunch is taken. Always take a drink, e.g. flask of coffee, soft drink, water.

NOTE – We use the side road Great Shaw Street next to the NCP car park at Market Street West for car sharing, as it eases problems on parking at our start points and helps people who don't have transport. So if at all possible can you please use this facility.
