Walkers Welcome

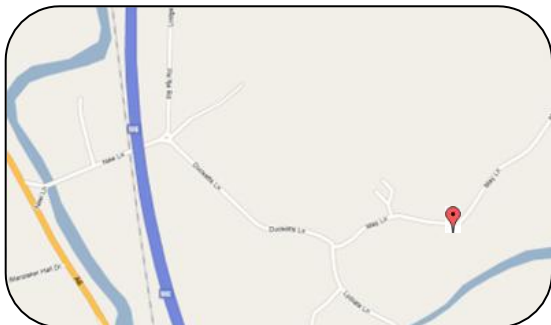

Come and have a well earned cuppa and homemade cake in a picturesque setting, close by the River Brock, where there are many lovely walks for you to enjoy.

Brow Top Farm is a 17th Century farmhouse, which lies on a public footpath, a matter of 200 yards from the River Brock. The farmhouse is set in an acre of land with a lovely patio area to sit and enjoy a break in your walk.

We have outdoor reared saddleback pigs, lambs, hens and chicks, and sell free range eggs and pork boxes. Group bookings only. Toilet facilities.
